

You Can Be A Recycling Superhero!

Recycle. Recycle at home and at school. If you don't have a recycling program at your school, start one. If you have one, improve it.

Page 12

Recycle South Carolina!

Remember these four simple things:
REDUCE, REUSE, RECYCLE
and RESPECT.

Become a Green Rider!

Take good care of your car. Proper maintenance, like changing your oil regularly, helps your car last longer and reduces air pollution. Recycle your used motor oil. It's the law!

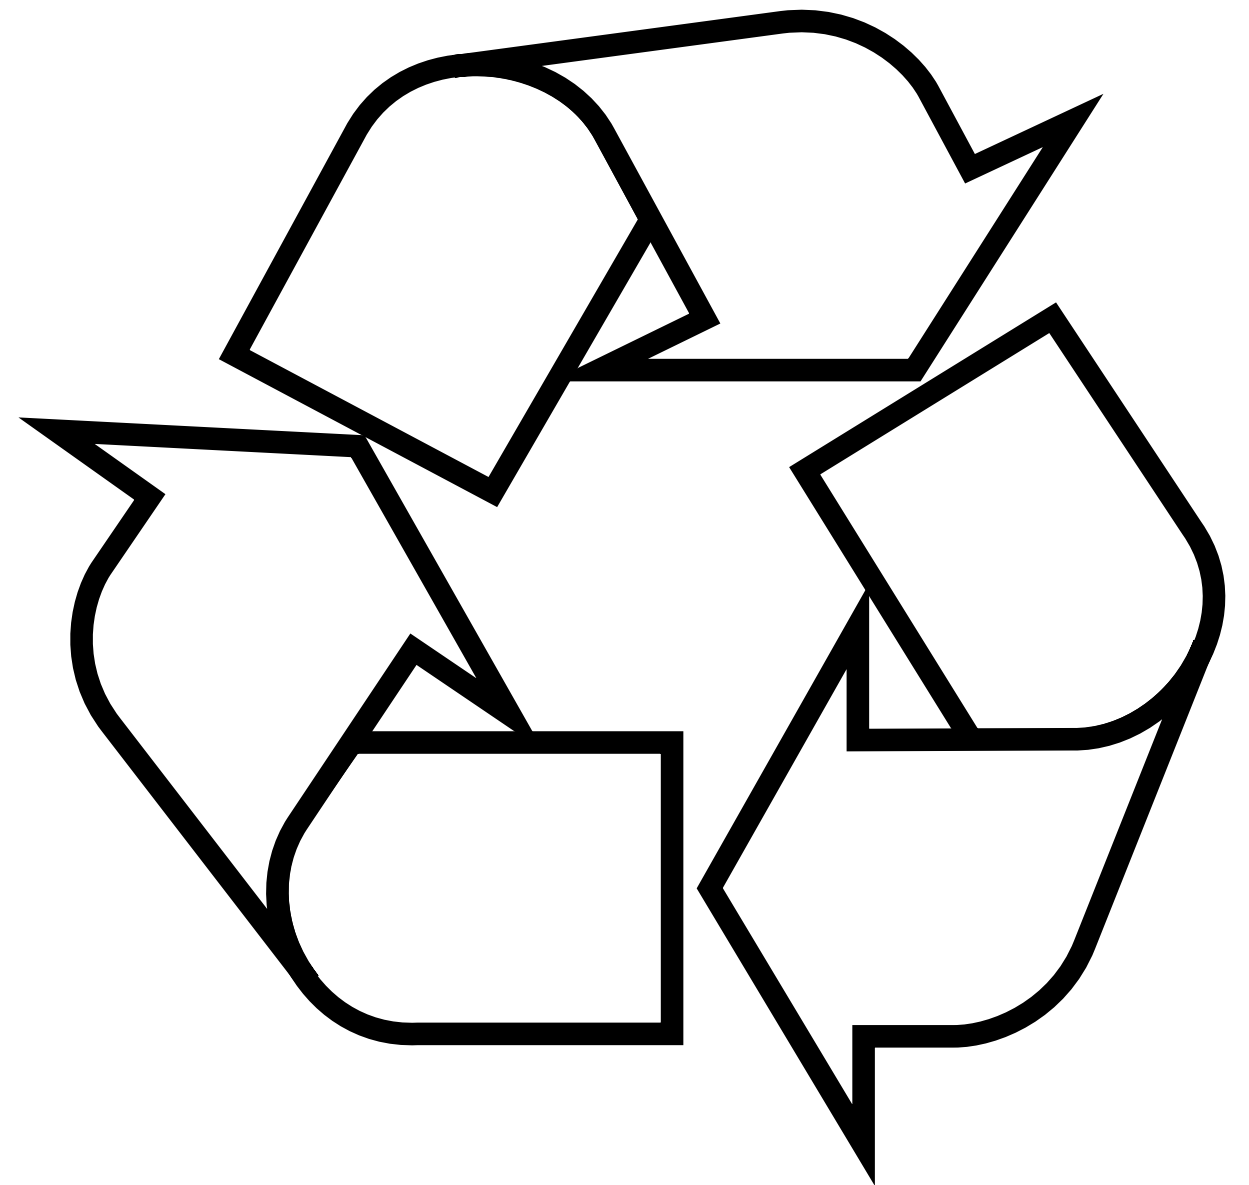

Recycling Reduces Litter!

Litter trashes the environment. Make sure that litter is recycled or thrown away in the right place. Clean up your neighborhood!

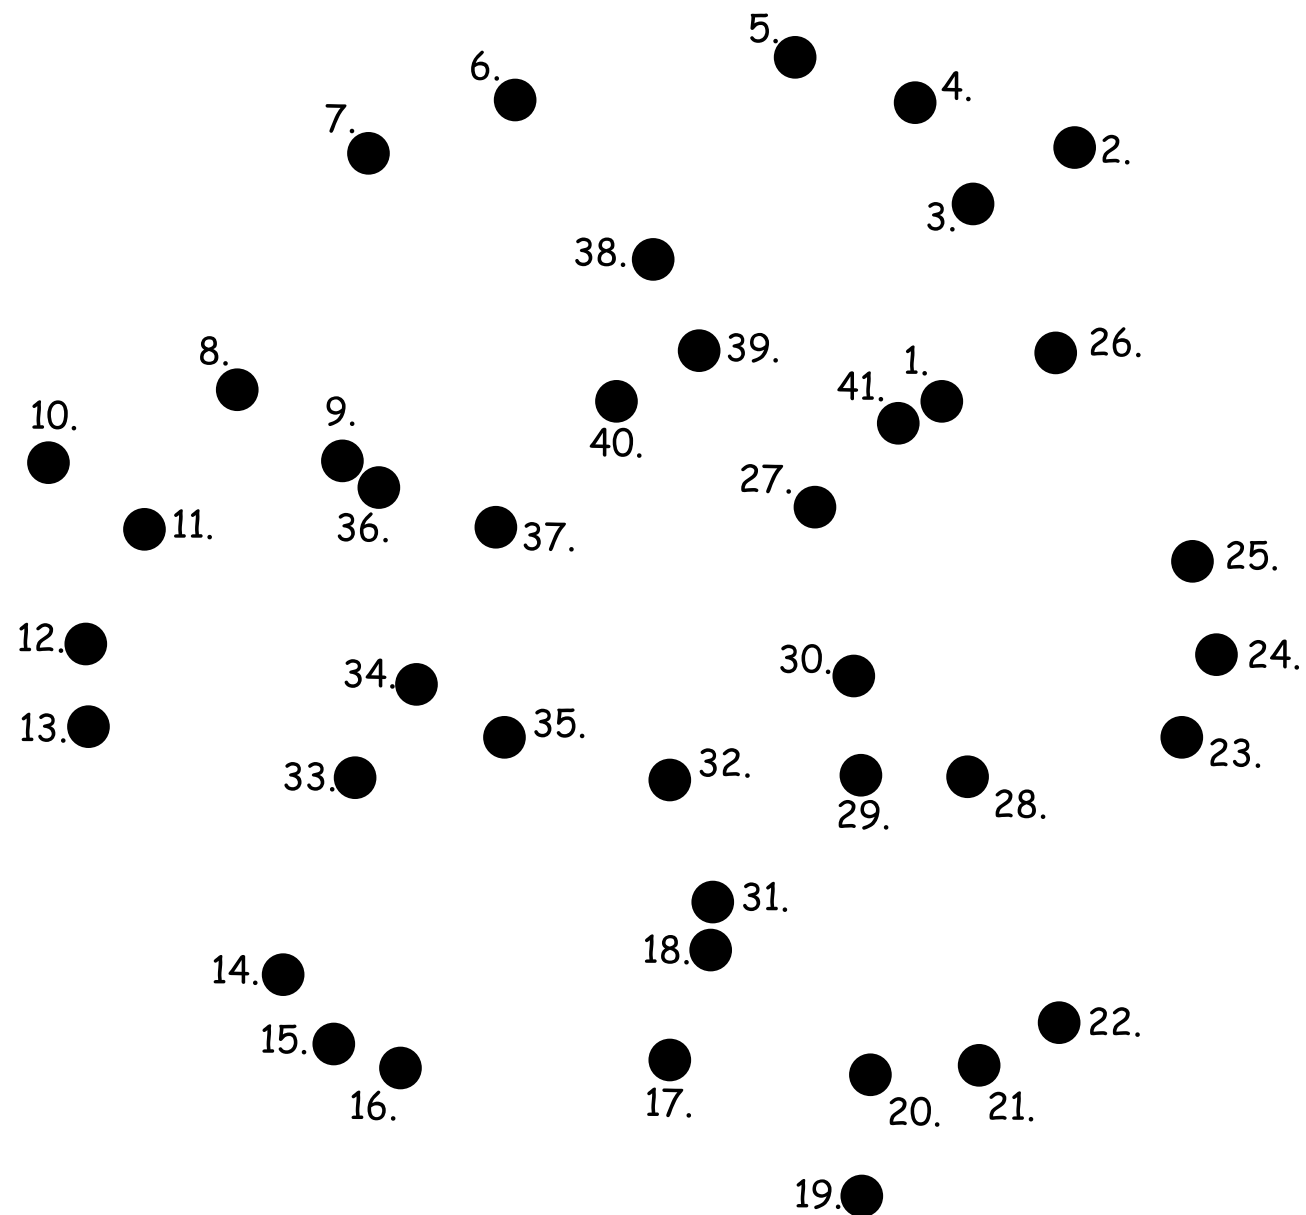

The Recycle Symbol

Products with this symbol may be recycled in your home town.

Connect the Dots!

Connect the dots and a familiar image will appear!

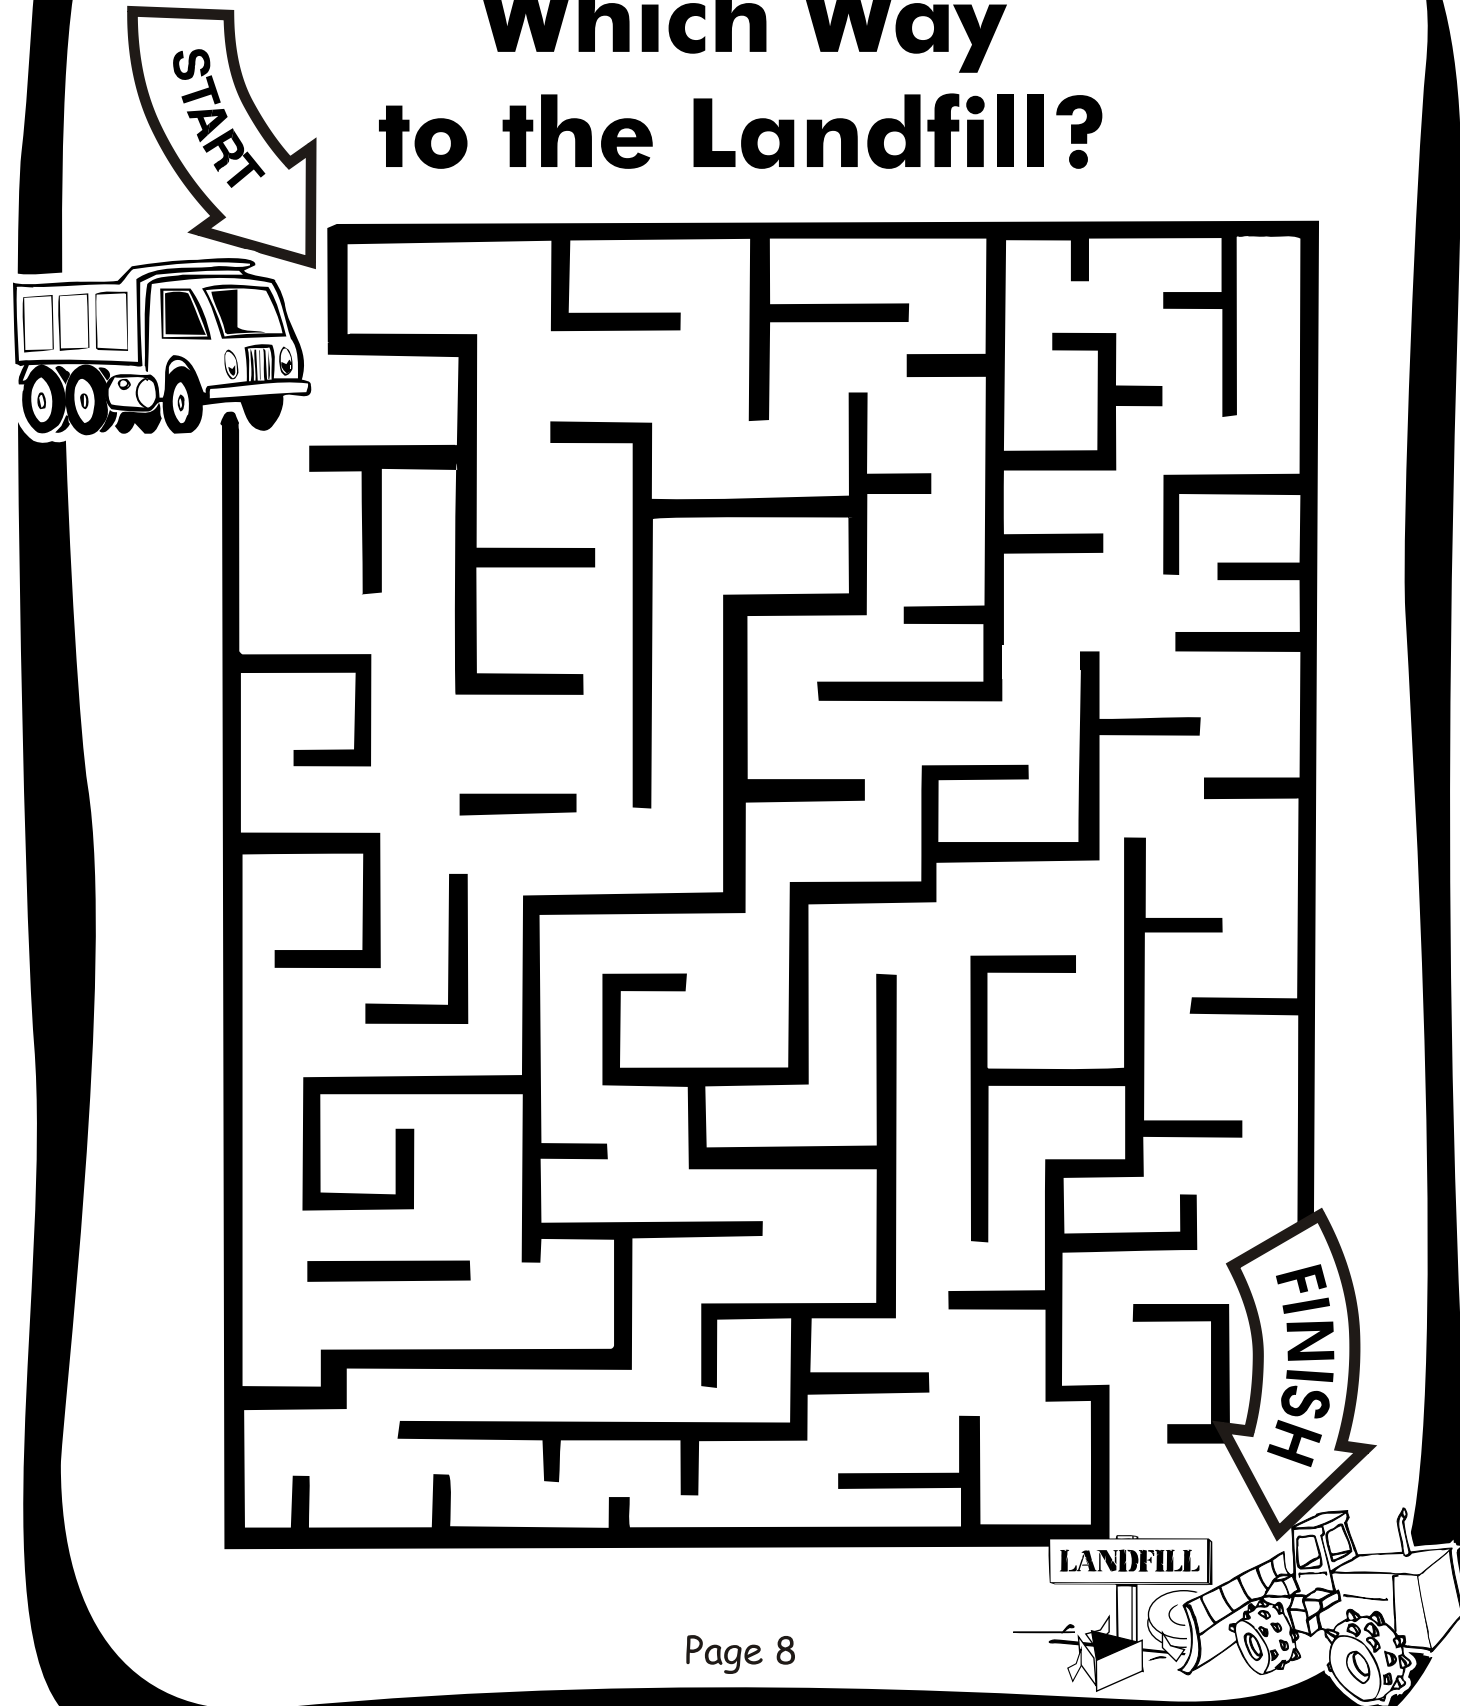

The Recycle Guys

The Recycle Guys are everywhere! They remind everyone to reduce, reuse and recycle. Look for them on TV, on the radio, in newspapers and on billboards. "R-E-C-Y-C-L-E! It begins with you and me!"

Which Way to the Landfill?

Page 8

Recycle Everyday!

Remember to recycle at home and school. Recycle when you travel or go on vacation. If you can't recycle on vacation, take things home with you and recycle them there. It's the right thing to do.

What Can You Recycle?

Which items below can be recycled? Draw a line from the correct items to the recycling bin.

Recycle Used Oil!

Recycling used oil conserves a limited resource and protects wildlife and marine life.
